

ONLINE AND MOBILE BANKING UPGRADE BRINGS NEW FEATURES

On August 24th, we completed an upgrade to our online and mobile banking services.

The upgrade allowed us to keep some of the features you've come to expect, such as remote check deposit, Picture Pay and person-to-person payments, while adding new features to enhance your banking experience with us.

Some of these new features allow you to:

- Customize alerts to monitor your account's security, transactions and balances and card activity
- Set up new debit and credit card controls to turn your card

on and off, note upcoming travel plans, set spending limits and restrict merchant category charges

- Transfer funds to and from your external accounts and to other Fort Financial members' accounts
- Aggregate accounts from any financial institution and monitor your total financial health from one place
- Set and monitor savings goals right from online and mobile banking

If you haven't done so yet, we encourage you to sign in to your account and check it out.

2021 SCHOLARSHIP RECIPIENTS SELECTED

Each year, Fort Financial awards up to \$5,000 in scholarships to high school seniors or students who are currently enrolled in college and who plan to continue their education through a degree program or certification from an accredited college, university or technology school.

After reviewing all of this year's applications based on the students' academic performance, character, involvement in their communities and schools and financial needs, the Fort Financial Scholarship Committee selected four scholarship award recipients this year:

- **Maia Tittle**, a student at Southeastern University, was awarded \$2,500.
- **Mariah Maley**, a student at the

University of Saint Francis, was awarded \$1,000.

- **Alexis McCowin**, a student at Georgia State University, was awarded \$1,000.
- **David Clark**, a student at Concordia Theology Seminary, was awarded \$500.

The Scholarship Committee thanks all of the applicants for taking the time to apply.

We wish everyone much success with their college efforts and encourage all eligible high school seniors and college students to apply next year.
